

Note: The grades to which this improvement is to be constructed are shown on plans and profiles.
 1. Grade points for top of curb, center line of street, or center line of alley are shown by circles on profile. At all points between designated points the grade shall be established so as to conform to a straight line drawn between said designated points.
 2. Elevations are in feet above U.S.G.S. datum or mean sea level.
 3. This drawing and the data hereon are hereby made a part of the specifications.
 4. Work shall be constructed according to specifications on file in the office of the County Engineer and shall be prosecuted only in the presence of the County Engineer.
 5. Before work can be started the contractor must obtain a permit to excavate in County streets from the L.A. County Rd. Dept., 511 S. Main St. and make a deposit with the County Engineer, 856 County Engineering Bldg., sufficient to cover the cost of construction inspection and record plans.
