MARCH 1952

PREPARED BY **W. A. Treadwell**
REG. C.E. NO. 410

FOR LEGEND SEE PLAN 3-a-64

NOTE: Grades to which this improvement is to be constructed are shown on plans and profile. Grade points for top of curb, center line of streets are shown by circles on profiles. At all points between designated points the grade shall be established so as to conform to a straight line drawn between said designated points. Elevations are in feet above U.S.C. Datum or mean sea level. This drawing and the data herein are hereby made a part of the specifications. Work shall be constructed according to specifications on file in the office of the County Engineer and shall be prosecuted only in the presence of the County Engineer. Before work can be started the contractor must obtain a permit to excavate in County streets from the L.A. County Road Dept. 310.35. Man Streets and make a deposit with the County Engineer, 928 L.A. County Engineering Bldg. authorized to cover the cost of construction inspection and record plan. Approval of this Plan by the County of Los Angeles does not constitute a Representation as to the accuracy of the location of, or the existence or non-existence of any underground utility pipe or structure within the limits of this Project.
