COUNTY OF LOS ANGELES, CALIFORNIA
APPROVED, JOHN A. LAMBE, County Engineer
By *[Signature]*
Sanitary Engineer

Checked *[Signature]*
Office of County Engineer Reg. C.E. No. 2566

NOTE: Elevations are in feet above U.S.C. & G.S. Sea Level Datum of 1929. This Drawing and the data hereon are hereby made a part of the specifications. Work shall be constructed according to specifications on file in the office of the County Engineer and shall be prosecuted only in the presence of the County Engineer. Before work can be started, the contractor must obtain a permit to excavate in County streets from the L.A. County Road Department, 108 West Second Street and a permit to cover construction from the County Engineer, Room 324, 533 South Broadway. If work is to be done in a state highway, a permit must be obtained from the State of California, Division of Highways, 120 South Spring Street. Approval of this plan by the County of Los Angeles does not constitute a representation as to the accuracy of the location of, or the existence or non-existence of, any underground utility, pipe, or structure within the limits of this project.

NOTE: THE ABOVE APPROVAL BY THE COUNTY ENGINEER APPLIES TO 8 MAIN LINE SEWER AND MANHOLE RECONSTRUCTION ONLY.
