MULHOLLAND

TRACT

NOTE:
It was agreed that the westerly boundary of the park would be established consistent with the easterly boundary of Tentative Tract No. 2398. The Tentative Tract a subdivision of Tract No. 24452, M.B. 706-1-6, was to substantially relocate the boundary between the park and subdivision. This map when originally filed reflected the boundary as shown on the Tentative Tract. The Tentative Tract was not submitted for recordation and has since been cancelled. Therefore this map has been practically revised to reflect the boundary of the existing recorded Tract No. 24452, M.B. 706-1-6, as the appropriate westerly boundary, and has been superseded by C.S.B. 5290.
