

Solid lines and figures are in red on original.  
Broken lines and figures are in black.

By the authority and direction of the Board of Directors of the California Co-operative Colony, I file this appendix to the map of the above Colony Tract recorded in Book 21, Pages 15-16 of the Miscellaneous Records of Los Angeles Co. Cal. and request that the lines, letters and figures in red, here presented be placed upon said map in the same color to indicate finally adjusted lines and corresponding areas of Lots 1 and 2, Block 4, Lot 18, Block 3, and Lots 1 and 13, Block 23. I also certify that with these corrections the map is a true representation of my Survey of the tract, in the northerly portion of the Rancho Las Cerritos.
