U. S. Surveyor General's office
San Francisco California
Sept 25 1888

R. P. Hammond Jr.
U. S. Surv Genl, Cal.

The original field notes of the survey of the claim of Jacob Deffy upon the Daisy Quartz mine from which this Plat has been made have been examined and approved, and are on file in this office and I hereby certify that they furnish such an accurate description of said mining claim as will if incorporated into a patent, serve fully to identify the premises and that such reference is made therein to natural objects and permanent monuments as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements placed thereon by the applicant or his grantors is not less than five hundred dollars, and that said improvements consist of a shaft 60 ft deep, 100 feet of tunnel and other improvements as appears by the report of the Deputy Surveyor and the testimony of two disinterested witnesses, and I further certify that this is a correct Plat of said mining claim made in conformity with said original field notes of the survey thereof.
