PLAT OF THE
WILEY PETROLEUM MINE,
Situated in
Los Angeles County, Cal.
CLAIMED BY
S. B. Caswell, etal.
Surveyed by
April, 1878.
Combining 20.81 Acres

LOT No. 41

The original field notes of the survey of the "Wiley Petroleum" Oil Mine绪 from which
this plat has been made, have been examined and approved and is on file in this office and herein certify that they form part of the original notes and drawings, as well as a complete and accurate survey, and fully to identify the premises, and that such notes are made under the rules of the survey and laws of the State of California.

I, the undersigned, do hereby declare that the survey and plats which accompany this plat, and the plat which accompanies the "Wiley Petroleum" Oil Mining Claim, are true to the best of my knowledge and belief.

CAMULOS OIL MINE
SAN FERNANDO PETROLEUM MINING DISTRICT
Los Angeles County
CALIFORNIA

Containing an area of 81.96 acres
Surveyed October 9, 1885
Application for survey dated September 27, 1883

Survey No. 2390
PLAT
of the Claim of
Occidental Asphalt Company
upon the
CAMULOS OIL MINE
SAN FERNANDO PETROLEUM MINING DISTRICT
Los Angeles County
CALIFORNIA

The original field notes of the survey of the claims of the Occidental Asphalt Company upon the Camulos Oil Mine from which this plat has been made, have been examined and approved, and are on file in this office; and I hereby certify that they furnish such an accurate description of oil and mineral claims as will enable any one to identify the same; and that such description is most concise in nature, and that adequate and necessary measurements of all profiles, levels, and the like have been made. The records and files of the office of the Land Office of the United States, and hereunto is annexed, are true and complete, and that said improvements exist and are as described on the plat, and all such improvements exist as are shown on the plat, and are as described herein; and the facts stated and the accuracy of the plat are correct.
