

Foothill Boulevard

Active Transportation Plan Walk Audit #4

La Crescenta-Montrose Community
Saturday, March 18, 2023, 9–11 a.m.
RSVP at <https://tinyurl.com/vhew7bdk>

Los Angeles County Public Works and the Cities of Glendale and La Cañada Flintridge are excited to announce a new planning initiative along Foothill Boulevard, between Lowell Avenue and Oak Grove Drive.

We want to hear from you as we explore active transportation improvements along the corridor, including new and upgraded bike lanes, safer pedestrian access, bus stop enhancements, and new street trees and landscaping.

Please join us for a walk audit in the La Crescenta-Montrose community to provide feedback on the walking experience along Foothill Boulevard!

The walk audit will be limited to one mile round trip. Los Angeles County will provide safety vests for greater visibility during the walk audits.

Due to limited capacity, please RSVP at <https://tinyurl.com/vhew7bdk>

Meeting location to be shared upon RSVP. Learn more about the project at our project website: <https://tinyurl.com/ms4xzwtm>
