

CALL FOR PROJECTS

PROPOSITION 1 ROUND 2

The California Department of Water Resources (DWR) released the Proposition 1 Round 2 Proposal Solicitation Package (PSP) and Guidelines on May 17, 2022. Greater Los Angeles County (GLAC) Integrated Regional Water Management (IRWM) Leadership Committee is seeking eligible projects for inclusion in its proposal to DWR.

Link to Guidelines [2019 Integrated Regional Water Management Grant Program Guidelines \(ca.gov\)](#)

Eligible applicants seeking to present an eligible project for consideration need to add Project information in OPTI and contact the sub-region based on project location.

WHO IS ELIGIBLE TO APPLY

PSP Table 1 provides the applicant eligibility requirements. The Self-Certification Form provides the eligibility requirements that must be met by a project applicant to be considered for funding by DWR. Completed Self-Certification Form must be submitted by project applicant prior to any further consideration.
