# Focal Area Discussion

What are your first impressions of the Focal Areas we've identified?

Is there a Focal Area you'd be interested in exploring further through a workshop?

Should we host the workshop during an AVIRWM Meeting? Who should be invited to attend the workshop?

## Next Steps

- Feedback will be incorporated into the AVWP Focal Areas
- Begin planning for a future workshop to discuss Focal Areas
- Please email [AVWaterPlan@dpw.lacounty.gov](mailto:AVWaterPlan@dpw.lacounty.gov) if you're interested in attending a future workshop

Thank you!
