

NOTICE

RESTRICTED WATER USE AND LANE CLOSURE

All District customers may resume regular water use. A second phase of this work will be scheduled later this month, and further notifications will be sent.

Los Angeles County Public Works will be connecting a new section of pipe to the existing transmission main along Pacific Coast Highway (PCH) at the location specified below, as part of the Los Angeles County Waterworks District No. 29, Malibu Branch Feeder 30-inch Realignment project.

During this connection, water service will not be interrupted. However, there will be a shutdown of the transmission main and water supply will be extremely limited during this period.

All District No. 29 customers MUST RESTRICT WATER USAGE to essential drinking and sanitation needs during the dates and times listed below. Please turn off all landscape irrigation and do not fill swimming pools, as they are not considered essential.

An updated notification will be sent to notify when customers may resume normal water usage. Your patience during this construction is greatly appreciated.

Location: PCH between approximately 1,600 feet east of Temescal Canyon Road and 2,700 feet west of Entrada Drive, City of Los Angeles.
One Northbound Lane of PCH will be closed.

Work site: Crews will be working along the northbound shoulder of PCH, at the location above.

Date: ~~January 31, 2023, through February 1, 2023.~~
