

Explore a career in the water industry.

Work with us!

WATER SERVICE HELPER I

Los Angeles County Public Works is one of the largest municipal public works agencies in the nation, providing vital 21st Century infrastructure and essential services to more than 10 million residents. Our Waterworks Division provides high quality, potable water to over 250,000 residents and is responsible for the operation and maintenance of all components of the public water distribution system.

The LA County region's future depends on water, thanks to our crews and operators, our customers can rest assured that they have a reliable source of safe drinking water.

YOUR CAREER STARTS HERE!

The **Water Service Helper I**, is an entry-level position where you will learn a broad range of skills and perform a variety of duties in the operation of the water distribution system. The position class involves frequent heavy lifting over 25 pounds, physical activity often combined with bending, twisting, or working on irregular surfaces.

Join our Water Service team in Malibu, where you will be a part of ensuring the quality and safety of water for our residents for years to come. If you are looking for a diverse, dynamic, team-oriented work environment with room for growth, we invite you to explore the opportunities Waterworks has to offer!

Requirements: A valid California Class C Driver License.

The Reporting office is in the beautiful coastal City of Malibu.

WHAT WE OFFER:

- Growth opportunities
- Excellent compensation
- Cost of living increases
- Salary Bonus - Malibu location only
- Class A license bonus
- Water Distribution Operator *and* Water Treatment certification reimbursement
- Medical, dental, vision plans
- Robust retirement plans
- 457(b) Deferred Compensation plan -County match up to 4%
- Basic term life insurance
- Maternity and Family leave
- Paid holidays, vacation time, and sick time.
